EASTERN DIFFICUITIES.

We are still without any definite newsy from India. Politicians appear to discover in the details which have been published, much to east the public mind. We combess we see nothing but a probability of an extension and constituation of the torobasis in the East. Engiand has enough on hand just now—the war with Clina—the war with India, and then the re-opening of the Turkish and Practicular and the property of the Turkish and Practicular and Sardiay then East was to maintain the Loneau of Turkey. And one foreouth, because The way will not order a new election in her work of the Province declared a superficient of the Province declared a superficient and the Province declared a superficient and the Province declared a superficient and the Province declared a superface, that Prince Napoleon may be placed on the through and the province, and has give level to province and practicular and province, and has give level to province and province, and has give level to province and practicular and provinces, these two powers put up their provinces, these two provinces and the provinces, these two provinces and the provinces, these two provinces and provinces, these two provinces and provinces, the provinces and the two families of provinces, the provinces and the provinces, these two provinces and provinces, the provinces and provinces, the provinces and prov
